

***This photo is from Abhishek's school yearbook.
It was taken in 1989. He was born in 1976, so how old was he in the photo?
Think of some questions about this picture to ask me.***

This is what he looks like now. That's his sister Shweta with him. She's 36 now. So how much older than her brother is she?

In 2006 Shweta made a film for CNN about the dolphins in The Ganga

Read these questions then click on the link and try to find the answers in the first paragraph.

- 1. Why are the dolphins dying?***
- 2. How many of them are left?***
- 3. Who is trying to save them?***

In the video clip you will see the dolphins. Who else does Shweta visit?

Now watch the clip to see the dolphins. (Click on the triangle in the black box, and wait for the advert to finish)
